1. Fast day 2—and here we go—into Me, into Me, Me taking you into Me, so you can come, see, feel, experience, become, what I want you to become, become, become, to birth, birth, birth, leadership of Me, Me, Me, and only Me, and not thought-Me and copied Me and counterfeited Me. But Me, real, true, active, actual, living, speaking, empowering, freeing, elevating, promoting into promotion that comes only from surrender, deep surrender, Spirit-enabled surrender.

2. My Spirit, My Spirit, My Spirit—so misunderstood, so neglected, so blamed for participation in things not of Me, so misrepresented, so misunderstood, so neglected, so powerful, so gentle, so loving, so Me, Me, Me.

3. Oh Ted, call people to know My Spirit and seek My Spirit and study the scriptures so plain before them, in front of their eyes, clearly, boldly, radically proclaiming the livingness of My Spirit for their lives, their daily lives, and Our design to be experienced in such joy and adventure, if they will but believe, believe, believe even enough but to read and inquire and study and ask and place before Me their questions about the details of operation of My Spirit.

4. On you they cannot depend for all of their spiritual growth and maturity. They must come for themselves—they must eat of Me, they must eat Me—Truth, Truth, Truth—salvation, in blood covenant of The blood, My blood, I shed for them to be able to come, so easily, so easily, so easily.

5. Oh tears, oh sincere of heart, oh so open to Me, I fill, I touch, I heal, I affirm, I embrace, I love, I come, I call, I tenderly present Myself.

6. Oh arrogant I aloof and leave alone so often—waiting, waiting, waiting. So many—so arrogant, so closed to Me, yet spouting off continuously of how much they know Me and understand My ways of operation and give instructions to the wanting, waiting, immature who realize not how I want to teach them Myself—with words of Me, with words from Me, through Me and those I bring them—connecting, directing, and correcting—maturing them and growing them up so they can take the reigns of a horse, guide a chariot, drive a car, and lead, lead, lead—instead of dependently living their lives in subjection to myths and man made apparitions of not-Me, to keep others in place, underneath, little-ized, rather than catapulted into leadership, leadership, leadership.

7. So little, so little, so little, are so many in leadership today. And this is why flip-flop Ted, flip-flop flip-flop flip-flop and bang—it's what? It's what? It's different. And those prepared are ready and those unready scurry for oil and repentance and restitution and realize that they could have operated in purity and prowess of My Spirit, if they'd

humbled themselves, humbled themselves, before Me, before My body, before their design will be realized.

8. Arrogance will not stand before Me except to be banished, emasculated, and punished; and humility will stand before Me and be honored, congratulated, and promoted.

9. Punishment or promotion—they choose, you choose, all choose.

10. Humility or arrogance—you choose, they choose, all choose.

11. Your design or My design—you choose, they choose, all choose.

12. My Spirit waits, waits, waits, and watches, and listens, listens, and listens for every word, any thought, any heartbeat open to Me and My design of Truth played in the hearts, the ears of the heart, for the open, available, humility-permeated—maturable.

13. Day 2 My message is: humility honors and is honored and is honorable and prerequisite to My design being realized in fullness, fullness, even near-fullness.

14. Humility costs you now—or it costs you later.
You choose, you choose, all choose.

15. Honor is honorable and promotes and arrogance arrests and degrades and usurps and stinks, stinks, stinks.

16. So many try to wear My name but stink in their arrogance as they quote scriptures to justify their ill-situated hearts, of self-promotion, arrogantly leading My lambs who let them.

17. Intercede for My arrogant and the lambs under My arrogant, and arrogance-laden leaders who arrogance their followers with myths of man made philosophies—supported supposedly with scripture, but wrong, painful, and surreptitious.

18. Oh freedom, freedom, amnesty for My arrogant leaders who will turn and restore and receive and repent and reply to My invitation of forgiveness, grace, responding to My plea for humility.

19. Oh Ted, so many so sincere, yet sincerely arrogant.

20. Humble yourselves before the mighty hand of God—Me, that I may exalt you—not tomorrow, not afar off—today.

21. Yield to Me and I yield to you.
My mercies are new every day.
I love you, I cherish you, you came through Me.
My design, My glory, My delicacies await you.

I Me you—when you let Me—and I do not disappoint.

22. Intercession, intercession, intercession.

23. Not long here, not long, hold on to nothing.
Divest yourself, hold on to nothing.
And let Me re-provide—of Me, of Me, Me.
Now, now, now.
Elevation, escalation, promotion—
Riding on humility, humility, humility, with intercession, intercession, intercession.
Fueled by love, love, love.
Displayed in honor, honor, and deference.

24. I am meek and lowly— (Mat 11:29)
Acquainted with grief— (Isa 53:3)
The chastisement of our peace was upon Him—Me—
And by His stripes we are healed— (Isa 53:5)
My stripes—your healing.

25. More, more, know Me more.
Know what I do for My followers.
See how I promote and provide.
See how I mature and befriend.
See how I—intercede—and withhold nothing.
I elevate nothingness—which sins—to become My friend.
Arm and arm, hand in hand—
Words exchanged—hearts exchanged—
My design—
Freedom.

26. Intercede, intercede, intercede.
Advance, motivate, innovate.
Yield forth, promotion comes.
Promotion, promotion, promotion.
